

Site Overview

CWS' first direct services office opened in the DC/MD/VA region in 2023, following decades of Policy & Advocacy leadership in the region since 1975. The CWS DC Programs Office responds to the large number of Unaccompanied Children, Refugees, Migrants, and Humanitarian Parolees in the area. Partner with us - as congregations, communities, and individuals - to provide Post Release Services, Case Management, Emergency Assistance, and healing support for a variety of physical, mental health, legal networking, and other human needs!

Services

Home Study and Post Release Services

Promote the safety and well-being of Unaccompanied Children, identify if the placement appears to be safe for reunification with the sponsor, and connect the child and sponsor to needed educational, health, legal, and other community resources. Caseworkers work with children and sponsors to create a plan for self-sufficiency.
