Services

Resettlement & Placement Program

CWS works in collaboration with the US Department of State to resettle refugees from across the globe, here in the United States. This program requires the greatest community and volunteer support to help each refugee with physical and emotional needs and to help during their transition of starting a new life in the United States.

Matching Grant Program

Provides employment services to refugees, asylees, Ukrainians, Afghans, Cuban Haitian Entrants, victims of severe forms of trafficking, and Special Immigrant Visa holders.

Legal Immigration Service

Services include Residency Applications, Asylum Applications, Work Authorizations, Citizenship Applications, Family Petition, Fee Waivers, Cuban Adjustment, TPS Applications.

Home Study and Post Release Services

Promote the safety and well-being of Unaccompanied Children. Identifying if the placement appears to be safe for reunification with the sponsor, and by connecting the child and sponsor to community resources in Post Release Services (PRS). Caseworkers work with the children and sponsors to create an action plan.
