The Cache Refugee and Immigrant Connection in Logan, UT is a small but mighty organization that serves Refugees and Immigrants in the greater Cache Valley area. Our mission is to promote integration, economic self-sufficiency, and positive connections between Immigrants and Refugees and the wider community through two-way education, improved access to existing services and the creation of new services

In 2021, our organization responded to the evacuation of Afghan Humanitarian parolees from Afghanistan and helped resettle them in our community. It was such a successful program, that we now are approved to do Refugee Resettlement in Logan, UT. On top of Refugee Resettlement, we offer Refugees and Immigrants other services like: financial literacy courses, driver's license courses, citizenship test prep, Refugee health screenings and so much more.
