

Be a Part of Mapping Your Welcoming Community!

Help neighbors access the vital services they need! You can add community resources to the State-by-State Local Resource Map managed by Church World Service's Refugee Welcome Collective. Your role is simple, but its impact is profound.

**Refugee Welcome
Collective**

Who Benefits

Refugees & Newcomers looking for essential services like health care, dental and mental health, English language learning, and culturally appropriate food and groceries.

Sponsors & Volunteers working tirelessly to help families integrate and thrive.

Local Organizations strengthening outreach and coordination to fill gaps in services.

How to Add a Community Resource to the Map

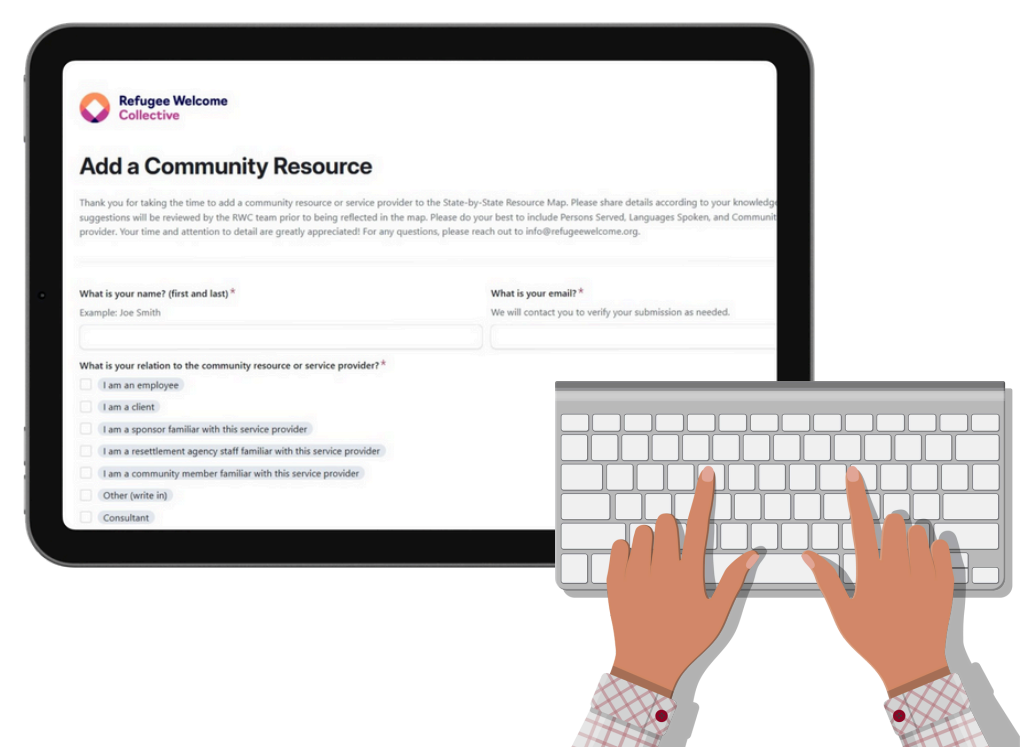

1. Go to the State-by-State Resource Map and select your state.
2. Scroll down to the Local Resource Search and click Add a Community Resource.
3. Fill in the community resource details, then click Submit.
4. You can also edit resource information or report a closure by clicking a pin on the map.

Add a Community Resource

It's fast, free, and helps services reach those who need them most.

Make a difference today!

By adding your connection, you're not just sharing information — you're connecting newcomers to health care, legal services, childcare, language classes, employment support, and more. You're building a stronger, more supportive community.

Join our mission. Let's ensure everyone can find help with just a click.

Need help? Have a long list of multiple resources?

Contact Refugee Welcome Collective for assistance at info@refugeewelcome.org.

Thank you for being a vital link in your network of welcome and support!
