

## **CWS** Virtual Integration Services

**Are you a newly arrived immigrant in search for case management to support you as you navigate your new community?**

We know that arriving to a new country is challenging and the Virtual Integration Services team is here to support recently arrived immigrants learn more about community resources and how to access those services and resources! We are non-profit and our services are 100% free. Our goal is to welcome and support immigrants in the US.

We work with asylees, refugees, Cuban and Haitian entrants, Iraqi and Afghan SIVs, Victims of human trafficking, Afghan Humanitarian Parolees and Ukrainian Humanitarian Parolees.

### **We can support with:**

- Public benefits applications (Medicaid and food stamps)
- Finding and connecting with doctors' appointments
- Finding and connecting with immigration attorneys
- Finding free food resources like Food Pantries
- Learning English
- Understanding the US job market
- Other resources that might help you!

### **Please call or email to make an appointment!**

We speak Spanish, Haitian Kreyol and English.  
We have phone interpretation available in your language.
